Hi Laura,

You may call me anytime to discuss these questions when needed. My phone number is 15502199379 which is 24h open .

My wife Lucy had been taking care of my e-mail and related business . she will check all the letters and sales with our customers from 2007-2009. She will take some days help me to find out the sale records and some sample products from 2007-2009.

We will wok some days to find them out and then say “ YES” to your questions one by one.

Regards, Davy

Hi Davy,

Thanks for sending the patents. We understand from Kevin Frija that you supplied his company Smoke Anywhere with the 2-piece Fifty-One Duo product as well as the original 2-piece Fifty-One product. We are particularly interested in those products, as well as other 2-piece products you were supplying to U.S. customers prior to July 27, 2009. In particular, we have the following questions. If it would be easier to discuss these questions by telephone, we can arrange that as well. Just let me know what is most convenient for you.

感谢您把专利发给我们。我们从Kevin Frija那里了解到, 您为他的公司Smoke Anywhere提供了两件式的Fifty-One Duo产品, 以及原装的两件式Fifty-One产品。我们对这两项产品, 以及您在2009年7月27日之前向美国客户提供的其他两件式产品

尤为感兴趣。我们具体有以下的问题。如果您认为通过电话讨论这些问题会更容易，我们也可以根据您的方便进行安排。

1. Do you have any samples of the Fifty-One Duo product that you supplied prior to July 27, 2009? Prior to July 27, 2010?

您是否还有这些在2009年7月27日之前提供的Fifty-One Duo产品的样品？或在2010年7月27日之前提供的产品的样品？

2. Do you have any technical drawings that show the internal structure of the Fifty-One Duo product that you supplied prior to July 27, 2009? Prior to July 27, 2010?

您是否有任何技术图纸，可以显示您在2009年7月27日之前提供的Fifty-One Duo产品的内部结构？或是在2010年7月27日之前提供的产品的内部结构？

3. Prior to July 27, 2009, did you supply any U.S. customers with e-cigarettes that incorporate the features of your patent CN200710054948. If yes, do you have any samples of those products or the technical drawings for those products? Also, who were the U.S. customers and do you have records of those sales?

在2009年7月27日之前，您是否向任何美国客户提供了任何电子烟是包含您的CN200710054948专利里面的特征？如果有，您是否还有这些产品的样品，或是这些产品的技术图纸？此外，这些美国客户是谁？您是否还保存了这些销售记录？

Hi, Laura,

My former company name is Alading located in Zhengzhou city founded in 2005 . And the owner of LoongTotem is Jack whose company located in Jlangmen city .

I had supplied e-cigarettes with cartomizer technology to Jack earlier than to Kevin .

Hi Davy,

Thanks for the information below. I'll review and be in touch. By the way, did you own a Chinese or HK based company called LoongTotem in 2009 or have any relationship with that company?

Hi Laura,

Here below is the tracing number about the early patent I filled from 2005 - 2007. You may download the detail on web or I can resend the detail files to you later if necessary.

I have been kept working on e-cigarette project for 16 years and quite clear of every innovation points. It is my pleasure to provide information related to e-cigarette technology.

Hi Davy,

I am an attorney in Chicago, Illinois. My contact information is below. Kevin Frija (Smoke Anywhere) gave me your name and email address. He said that you filed three Chinese patent applications in 2005 for e-cigarettes, one application in 2006 for a cartomizer, and one application in 2007 for an e-cigarette.

Could you please send me the patent numbers for these applications? We are looking for examples of early patent applications for e-cigarettes.

Thank you for your assistance.
